

Bruhn Spedition – 40' Pressurised Container

The 40' Pressurised Container with a capacity of 59 m³ is an ideal solution for a variety of bulk products. Combined with a low tare weight, this maximises payload efficiencies.

The product is discharged using a tipping chassis and compressor vehicle.

Also features folding stainless steel handrail, walkway and anti-slip surface on roof.

Dimensions	outside
Length.....	12,192 mm
